**TAX RELIEF FOR BUSINESS AND PROPERTY OWNERS
IN FIVE SOUTHERN CALIFORNIA COUNTIES**

Carole Migden, Chairwoman, State Board of Equalization (BOE) announced today that Riverside County has been added to the list of counties where emergency tax relief has been made available. With fires continuing to spread through southern California, Governor Gray Davis proclaimed a State of Emergency for Riverside County. Earlier this week, Governor Davis declared States of Emergency for Los Angeles, San Bernardino, San Diego, and Ventura Counties.

EXTENSION FOR FILING RETURNS

Special relief in the form of a **one-month extension of time to file and pay taxes or fees** is available in all of the following BOE administered programs:

Sales and use taxes, gasoline tax, use fuel tax, alcoholic beverage taxes, cigarette and tobacco products taxes, jet fuel tax, diesel fuel tax, interstate user tax, timber yield tax, as well as the integrated waste management fee, tire recycling fee, occupational lead poisoning prevention fee, childhood lead poisoning prevention fee, underground storage tank maintenance fee, oil spill prevention and response and administration fees, energy resources and emergency telephone surcharges, natural gas surcharge program, and hazardous waste fees.

This relief is available to any taxpayer or fee payer who works or resides in Los Angeles, Ventura, Riverside, San Bernardino or San Diego counties and who, as a result of the recent wildfires, cannot meet tax filing and payment deadlines. The BOE may also extend the deadline for filings that were delayed by disruption of the normal activities of the United States Postal Service or private mail and freight companies.

RELIEF OF INTEREST AND PENALTIES

Relief from interest and penalties may be provided for those persons who are unable to file their returns and pay taxes and fees due in a timely manner. This relief may be provided in the following programs:

Sales and use taxes, use fuel tax, alcoholic beverage taxes, cigarette and tobacco products taxes, gasoline tax, energy resources and emergency telephone surcharges, and hazardous waste fees, as well as the integrated waste management, occupational lead poisoning, and underground storage tank fees, jet fuel tax, diesel fuel taxes, interstate user tax, childhood lead poisoning prevention fee, insurance tax, natural gas surcharge, ballast water management fee, California tire recycling fee and oil spill fees.

(more)

Taxpayers and fee payers must include with their returns, a statement signed under penalty of perjury, stating the cause for the late filing if requesting an **EXTENSION FOR FILING RETURNS** or **RELIEF OF INTEREST AND PENALTIES**.

Please note the relief program for interstate user tax under International Fuel Tax Agreement (IFTA) applies to California tax only. To waive interest and penalties for another jurisdiction, the Board of Equalization must receive written approval from the other jurisdiction. For information regarding IFTA, please call the Fuel Taxes Division at (916) 322-9669 or 1-800-400-7115 and follow the prompts to Fuel Taxes.
